

Fairtrade Policy

To be reviewed three yearly
Chair of Governors, Sue Nelson

Signed 

East Preston Infant School is a Rights Respecting School. All pupils, staff and visitors have the right to be healthy, safe, educated, listened to and treated fairly. These principles are at the heart of our school ethos, and our policies and practices support these rights. We are committed to equal rights, mutual respect and shared responsibility.

East Preston Infant School is committed to supporting Fairtrade wherever possible.

In particular the school will:

- Children are kept regularly informed through assemblies and classroom discussions. We link with rights through Unicef assembly themes
- Where possible use Fairtrade tea, coffee and sugar in the staff room and meetings
- Where possible use Fairtrade ingredients for any cooking activities
- Purchase Fairtrade sports balls when buying new ones
- Ensure Fairtrade is taught as part of appropriate subjects
- Promote Fairtrade within the school community, particularly during Fairtrade Fortnight
- All Fairtrade activities are communicated with parents/carers through the School Newsletter and website

In this Policy we specifically recognise the following articles from the UN convention on the Rights of the Child:

Article 2 – The Convention applies to everyone; whatever their race, religion or abilities, whatever they think or say, whatever type of family they come from.

Article 24 – Every child has the right to the best possible health.
