Whilst the governing board of East Preston Infant School believes it is important that a board reflects the diversity of the school community it serves, due to the relatively small membership of our governing body, we do not publish diversity data online. This is to ensure that individual governors cannot be identified as there is a legal obligation to protect their personal data.

Co-opted governors are selected and appointed by the governing body, Local Authority Governors are appointed by the Local Authority, Parent and Staff governors are elected.
