

DO YOU SOMETIMES WORRY ABOUT HOW YOU ARE FEELING?

If so, read on!

Here are some brilliant tips from children just like you*. These children have also had ups and downs with their mental health and want to pass on some ideas that have helped them:

- Ask for help – from a teacher, parent, brother, sister, or other family member. Keep telling until someone listens to you.
- Remember you are not alone – everyone goes through tough times. Be kind to yourself – everyone is perfect in their own way.
- Stay calm – take some breaths or find somewhere to sit quietly for 2 minutes.
- Go outside and get some exercise to make yourself feel stronger.
- Spend time with your family and friends (or pets).
- It's okay to not always be okay.
- Think of your favourite thing and write it down.
- Keep a diary to track all your emotions.
- Stay positive and focus on things that make you happy. If you can't think of anything, maybe a friend can help you.
- Remember you are enough, and you are the only you.
- If you are being bullied, maybe the bully is being bullied or has something going on at home and they're taking it out on someone else. Tell an adult or trusted friend.
