Dear Parents/Carers

Autumn School Grounds Afternoon 2019

Yes it is that time again...our Autumn School Grounds Afternoon is here!

We are asking for volunteers (parents, grandparents, aunties, uncles and friends of the school), to spend some time on **Friday 18th October 2019 - 1pm to 3pm** to help with a variety of seasonal tasks such as clearing dead plants, picking up leaves, litter collection, hedge trimming, washing the bike shed, cleaning the ponds, pruning the apple trees and general tidying of the school grounds.

You are welcome to work with your child if you would like to. If so, it would be helpful if they have wellington boots, a waterproof coat and gardening gloves if possible. We have very limited tools, so we would appreciate it if you could bring in your own tools to use on the day.

We usually have a great day...even in the damp and drizzle! Please feel free to come for whatever amount of time that you can. I have attached a slip to complete to give us an idea of when people are coming and also to know if you are going to work with your child so that we can make arrangements with their teacher for them to be released from their class.

Please note that School Grounds Afternoon is a **non-uniform day**. Please can all children come to school in clothes suitable for gardening.

Yours sincerely

Mrs H Lilley
Science and Grounds Day Coordinator

Article 29 : Education must develop every child's personality, talents and abilities to the full and must teach the child's respect for human rights, as well as respect for their parents, their own and other cultures.
